CLUB HISTORY OF COMMUNITY SERVICE

The Kiwanis Club of Ann Arbor was organized on May 13, 1921, and chartered on June 13, 1921, with 60 charter members. As of 4 October 2012, the club was the largest Kiwanis club in Michigan, with 167 members. Since its founding, the club has inducted 1191 members.

In 1922 the club began working with the University of Michigan Hospital to provide recreation and education for young patients. In 1934 this activity was adopted as a Michigan District project and named for Forney W. Clement, a former District Secretary and member of our club. Subsequently, the project was extended to Mary Free Bed Hospital in Grand Rapids (1961), Northern Michigan Hospitals, Inc. in Petoskey (1977), and Children's Hospital of Michigan in Detroit (1980s). Our club members make an annual gift to the Michigan District to support the Clement project at these four hospitals, and also contribute monthly to the Mott Pot to provide additional support to for the Clement project at the U of M Mott Children's Hospital.

Proceeds from rummage sales and other fund-raising efforts have enabled the club to fund the activities of many charitable organizations. Most club donations range between \$500 and \$4000. The club has made a few major gifts of \$5000 to \$25,000 to several community organizations to help support.

- * Capital campaigns
 - * AA YMCA
 - * American Red Cross
 - * Arbor Hospice
- * Special Projects
 - * AA Fire Department's "Smoke House"
 - * AA Hands On Museum
 - * AA Library Bookmobile
 - * Dawn Farm (new van)
 - * Help Source
- * Salvation Army
- * Washtenaw Intermediate School District (Green House Project)
- * Hope Dental Clinic
- * "Neutral Zone" for teens
- * Peace Neighborhood Center
- * Washtenaw Area Council for Children

In addition to raising money to help charitable organizations, club members have participated in many local hands-on activities. Examples include:

- * greenhouse project at High Point
- * "Christmas-in-April"
- * donating blood
- * dictionaries for 4th-graders
- * "Bring Geography to School"
- * "Kids Against Hunger"
- * providing rides to doctors, church, etc.
- * "Terrific Kids" at Mitchell School
- * "Meals on Wheels"
- * valentines for Mott Children's Hospital
- * Special Day's Children's Cancer Camp
- * Fourth of July parade in downtown AA
- * hosting parties at Mott Children's Hospital and Maxey Boys Training Center

The club has also participated in projects that benefit people outside the local area: Examples include:

- * donated funds and goods to help victims of earthquakes, floods, hurricanes, and tsunamis
- * collected and mailed boxes of clothing to Poland, Dominican Republic, and Nigeria
- * collected and sent boxes of prescription eyeglasses to Third World countries
- * donated \$104,000 to the worldwide Iodine Deficiency Disorder project sponsored by KI
- * committed to donate \$100,000 by 30 September 2015 to the worldwide ELIMINATE project to eliminate maternal and neonatal tetanus, sponsored by KI

CLUB MEMBERSHIP

Those who join our club are invited to join by current members. The weekly noon meetings are an excellent forum for prospective members to meet club members. The club covers the cost of two meals for each prospective member

Members who wish to sponsor prospective members ask them to fill out and sign a Membership Application form. Sponsors sign the form and return it to the Secretary. The Secretary arranges for information about the applicant to be published in two consecutive issues of the Club Newsletter, and forwards the completed application to the facilitator of the Past Presidents, who arranges for the applicant to be interviewed by a Past President.

After an interviewer recommends acceptance of the application, the Secretary submits the application to the Board of Directors for approval. After the Board's approval, the Secretary notifies the applicant and requests payment of dues. Upon payment of dues, the Secretary places a new-member badge in the badge rack, and the President schedules a formal induction ceremony, with the applicant and sponsor present.

Annual club dues for 2012-2013 are \$150 (pro-rated at \$12.50 per month). Sponsors mentor new members to help them complete several tasks required to earn a regular-member badge. New members qualify for the regular -member badge once they:

- have been oriented about the club
- have their picture taken by the club photographer
- work on a sale activity
- give a 3-minute speech about themselves
- actively work on a club committee
- participate in two additional club activities, such as:
 - * greet guests and members at a noon meeting
 - * attend a Board meeting
 - * attend an interclub
- participate in at least one Kiwanis-sponsored community activity, such as:
 - * Warm The Children program
 - * Salvation Army bell ringing
 - * Meals on Wheels delivery

In 1985 the Board of Directors established the club's Hall of Honor to honor members, past and present, who have assumed leadership roles in our club and/or have exemplified the Objectives of Kiwanis through their dedication to our club and its benevolent activities. This honor is the most prestigious tribute that our club can bestow. THE KIWANIS ACTIVITIES CENTER

The evolution of the distinct beige, brick warehouse and flour mill on the southwest corner of First and Washington Streets into a weekly beehive of activity is a tribute to the foresight and dedication to community service by the members and volunteers of the Kiwanis Club of Ann Arbor. On April 11, 1966, the club voted unanimously to purchase the building (which contained 22,000 sq. ft. of floor space) that once housed the Swisher Wholesale Grocery Store and then the Sears Roebuck & Co. Farm Store. The purchase was made possible through the generosity of John E. Swisher, Jr., whose father was a past president of the club (1925), and through contributions from club members and people in the local community. The club renamed the building the Kiwanis Activities Center (KAC).

In 1967, improvements to the KAC included pouring a concrete floor basement, constructing a stairway to the two floors above the basement, installing restrooms and interior lighting, painting, and remodeling (including the laying out of a shuffleboard on the top floor). In February 1968, the KAC hosted its first club sales event. The building featured space for selling and storing merchandise, and rooms for holding the club's weekly Monday noon meetings and other activities. These have become traditional uses of the building.

On Thursday, February 4, 1982, a sale was disrupted when a section of the roof over what is now the kitchen buckled under the weight of snow. No one was injured; the sale was resumed on the next day. In May 1983, the club began seeking financial support from the community to renovate the building -- a \$100,000 undertaking. The rear of the KAC, formerly a flour mill, was renovated inside and out, including protective exterior siding, and the second floor was extended the full length of the building to create more storage space and selling area.

During 2000-2002, the club invested \$310,000 to improve the building's efficiency, assure the safety and comfort of workers and customers, and improve accessibility to handicapped persons. Major items in the completed project included:

- an upgraded electrical and fire alarm system throughout the building
- the addition of heating and cooling to spaces lacking temperature control
- a new telephone and security system
- new flooring and added sales space on the mezzanine
- installation of a new bathroom with handicapped access
- conversion of the freight elevator to accommodate handicapped persons

The cost of these improvements was paid from unrestricted bequests from members and friends of the club. The purchase of, and improvements to, the KAC have proved to be a wise investment for the club and the local community. Many customers think of the KAC as the convenient place where "the biggest garage sale in town" is held every Saturday morning. The proceeds from those sales enable the club to help many organizations that serve needy individuals and families. In 2009-2010 the club invested \$13,000 to improve the decor and lighting on the top floor.

CLUB FUND-RAISING AND GIVING,

The club began raising money in 1925 by selling newspapers. In 1927 it teamed with King's Daughters, a local church guild, to hold periodic three-day thrift sales in vacant stores and, from 1948 to 1967, in the National Guard Armory. From February 1968 through 1990, sales were held in the Kiwanis Activities Center periodically, thence weekly on Saturday mornings. Sales are currently held from 9 AM till noon on about 47 Saturdays per year.

Individuals and organizations donate merchandise, and club members and volunteers sort, price, display, and sell it. This work requires conscientious sorting, creative merchandising, and tact. A sorter once found \$600 in a box of shirts; occasionally, paper money is found hidden in books. Items sold include automobiles, store mannequins, live piglets, tombstones, boats, and organs (musical). Once, four people bought the same sofa on the same day and showed up simultaneously to claim it. Once, someone mistakenly donated a neighbor's dishes. Members and volunteers have had their own coats and jackets inadvertently sold during a sale. The most successful single sale, a three-day event in 1985, grossed \$80,234. Between fiscal years 2006-2007 and 2011-2012, annual gross sales have increased from \$223,000 to \$377,000.

Over the years the club has found additional ways to sell donated merchandise. It sells donated automobiles through a local licensed dealer. It began selling selected merchandise on eBay in 2002, and on craigslist in 2011. On those electronic sites, a few unusual items have sold for hundreds of dollars to more than one thousand dollars. In early January 2011, the club began selling surplus clothing and shoes to City Recyclers. This firm picks up the merchandise from the Kiwanis Activities Center, sorts it, and ships it to developing countries for use by citizens there. In late January 2011, the club acquired the use of an 8000-sq-ft warehouse near the Ann Arbor airport. Furniture and other large items are stored there and sold periodically, depending upon the size of the inventory.

Since 1927 the club's charitable foundation has grossed about \$6.3 million from its thrift sales. The foundation devotes net sale proceeds plus about three to five percent of annual investment earnings to support many projects of charitable organizations that serve the local community and Washtenaw County. The success of the sale depends on the hard work of many club members and dozens of volunteers.

CLUB FUND-RAISING AND GIVING, continued

In addition to donating money to organizations, the foundation gives merchandise to needy individuals and families through its Direct Assistance Program. The club's Community Services Committee administers this program. In monthly training sessions, Committee members explain to staff of participating local social agencies how the program works. The Committee distributes about \$30,000 worth of merchandise annually to qualified clients of social agencies that serve the greater Ann Arbor community.

The foundation also donates clothing to people in need worldwide, especially to orphanages and countries that have suffered a natural disaster. The club's International Relations Committee coordinates the distribution of these donated items. Annually, the thrift sale's Book Department donates thousands of surplus children's books to teachers and libraries of K-12 schools in Ann Arbor and Detroit.
