CLUB HISTORY OF COMMUNITY SERVICE

The Kiwanis Club of Ann Arbor was organized on May 13, 1921, and chartered on June 13, 1921, with 60 charter members. As of September 30, 2016, the club was the largest Kiwanis club in Michigan, with 141 members (including emeritus members). Since its founding, the club has inducted 1235 members.

In 1922 the club began working with the University of Michigan Hospital to provide recreation and education for young patients. In 1934 this activity was adopted as a Michigan District project and named for Forney W. Clement, a former District Secretary and member of our club. Subsequently, the project was extended to Mary Free Bed Hospital in Grand Rapids (1961), Northern Michigan Hospitals, Inc. in Petoskey (1977), and Children's Hospital of Michigan in Detroit (1980s). Our club members make an annual gift to the Michigan District to support the Clement project at these four hospitals, and also contribute monthly to the Mott Pot to provide additional support to for the Clement project at the U of M Mott Children's Hospital.

Proceeds from rummage sales and other fund-raising efforts have enabled the club to fund the activities of many charitable organizations. Most club donations range between \$500 and \$4000. The club has made a few major gifts of \$5000 to \$25,000 to several community organizations to help support their activities.

- * donated \$103,185 in 2015 to the Kiwanis/unicef worldwide ELIMINATE project to eliminate maternal and neonatal tetanus.

CLUB MEMBERSHIP

Those who join our club are invited to join by current members. The weekly Monday-noon meetings are an excellent forum for prospective members to meet club members. The club covers the cost of two meals for each prospective member.

Members who wish to sponsor prospective members ask them to fill out and sign a Membership Application form. Sponsors sign the form and return it to the Secretary. The Secretary arranges for information about the applicant to be published in two consecutive issues of the Club Newsletter, and forwards the completed application to the facilitator of the Past Presidents, who arranges for the applicant to be interviewed by a Past President.

After an interviewer recommends acceptance of the application, the Secretary submits the application to the Board of Directors for approval. After the Board's approval, the Secretary notifies the applicant and requests payment of dues. Upon payment of dues, the Secretary places a new-member badge in the badge rack, and the President schedules a formal induction ceremony, with the applicant and sponsor present.

Annual club dues for 2016-2017 are \$180. Sponsors mentor new members to help them complete several tasks required to earn a regular-member badge. New members qualify for the regular -member badge once they:

- have been oriented about the club
- have their picture taken by the club photographer
- work on a sale activity
- join a committee
- give a 3-minute speech about themselves
- actively work on a club committee
- participate in two additional club activities, such as:
 - * greet guests and members at a noon meeting
 - * attend a Board meeting
 - * attend an interclub
- participate in at least one Kiwanis-sponsored community activity, such as:
 - * Warm The Children program
 - * Salvation Army bell ringing

THE KIWANIS CENTER DOWNTOWN

The evolution of the distinct beige, brick warehouse and flour mill on the southwest corner of First and Washington Streets into a weekly beehive of activity is a tribute to the foresight and dedication to community service by the members and volunteers of the Kiwanis Club of Ann Arbor. On April 11, 1966, the club voted unanimously to purchase the building (which contained 22,000 sq. ft. of floor space) that once housed the Swisher Wholesale Grocery Store and then the Sears Roebuck & Co. Farm Store. The purchase was made possible through the generosity of John E. Swisher, Jr., whose father was a past president of the club (1925), and through contributions from club members and people in the local community. The club named the building the Kiwanis Activities Center (KAC).

In 1967, improvements to the KAC included pouring a concrete floor basement, constructing a stairway to the two floors above the basement, installing restrooms and interior lighting, painting, and remodeling (including the laying out of a shuffleboard on the top floor). In February 1968, the KAC hosted its first club sales event. The building featured space for selling and storing merchandise, and rooms for holding the club's weekly Monday noon meetings and other activities. These have become traditional uses of the building.

On Thursday, February 4, 1982, a sale was disrupted when a section of the roof over what is now the kitchen buckled under the weight of snow. No one was injured; the sale was resumed on the next day. In May 1983, the club began seeking financial support from the community to renovate the building -- a \$100,000 undertaking. The rear of the KAC, formerly a flour mill, was renovated inside and out, including protective exterior siding, and the second floor was extended the full length of the building to create more storage space and selling area.

During 2000-2002, the club invested \$310,000 (a bequest from club member Vincent Vis) to improve the building's efficiency, assure the safety and comfort of workers and customers, and improve accessibility to handicapped persons. Major items in the completed project included

- an upgraded electrical and re alarm system throughout the building
- the addition of heating and cooling to spaces lacking temperature control
- a new telephone and security system
- new flooring and added sales space on the mezzanine
- installation of a new bathroom with handicapped access
- conversion of the freight elevator to accommodate handicapped persons

The cost of these improvements was paid for from unrestricted bequests from members and friends of the club. The purchase of, and improvements to, the KAC have proved to be a wise investment for the club and the local community. Many customers think of the KAC as the convenient place where "the biggest garage sale in town" is held every Saturday morning. The proceeds from those sales have enabled the club to help many organizations that serve needy individuals and families. In 2009-2010 the club invested \$13,000 to improve the decor and lighting on the top floor.

In 2015, following the purchase of an additional facility (Kiwanis Center West), the KAC was renamed the Kiwanis Center Downtown (KCD). In September 2016, the club membership voted to authorize the Board of Directors to consider proposals for the sale of KCD. That decision was made to help the club's Foundation pay off the debt incurred from acquiring the KCW, thereby allowing the club's Foundation to resume its charitable donations to the local community and greater Washtenaw County.

THE KIWANIS CENTER WEST

In 2014, the club's Foundation purchased a 17.4-acre property, including a 123,000 sq-ft office and warehouse building, located at 100 North Staebler Road, at a cost of \$2.25 million. As a part of the purchase, the seller funded \$250,000 of renovations as a cash back payment at closing. KCW opened on June 13, 2015, initially for Saturday sales; later that year sales were expanded to include Fridays and Saturdays from 9 am to 1 pm. Additional hours of operation are in the process of exploration and planning.

KCW sales floor now covers approximately 60,000 sq-ft, with an additional 15,000 sq-ft of high ceiling warehouse space designated for Kiwanis inventory storage. The area dedicated to Kiwanis use includes a cafeteria meeting hall for use by the Kiwanis Club, and for purposes of short-term rental to outside agencies and individuals in need of a meeting hall. Another 30,000 sq-ft of warehouse space at KCW is rented to a for-profit business, and approximately 18,000 sq-ft of office space is being offered for rental. Seven and one-half acres of undeveloped wet lands and woods on the property have been designated as the Ann Arbor Kiwanis Environmental Education Preserve (A2KEEP), and that project is in the process of development, including ponds, woodland, and marsh areas interwoven by paths and planned display projects. Another 2.5-acre portion of the property fronting on Jackson Road is being offered for sale as a commercial lot.

Kiwanis Friends (We Welcome You!)

A Song of the Kiwanis Club of Ann Arbor

Tune adapted from "California Here I Come" - A. Jolson
L. Panning & D. Vaughn • D. Leslie

Kiwanis friends we welcome you; From our club a "howdy-do!
Find a treasure at our sale; Serving others without fail.
The biggest K Club in the State; Monday lunch, 'Hey grab a plate!'
Relax and see just what we do; oh Kiwanis welcomes you!

From downtown to K-C West; Volunteering without rest.
Looking for a 'Shopping Spree?'; We will help you cheerfully!
Meetings, grants and fines galore; Happy Dollars and much more.
Come on back we'll show you through, Oh Kiwanis welcomes you!

I love to help!

ZELLER FELLOWS

In 2011 Kiwanis International (KI) established the Walter Zeller Fellowship to commemorate Walter Zeller, who made the first gift of 25 silver dollars to establish the KI Foundation. The Zeller Fellowship recognizes a gift of at least \$1,250 to the ELIMINATE Project, an undertaking to raise \$110 million by 30 September 2015 to eliminate maternal neonatal tetanus in mothers and newborns in countries where this disease remains a threat.

On 22 August 2011, our Club membership pledged to donate \$100,000 to the KI worldwide ELIMINATE Project by 30 September 2015, a goal we met and exceeded by raising \$103,185. The names of Zeller Fellows are permanently displayed on a board on the top floor of the Kiwanis Activities Center. CLUB FUNDRAISING AND GIVING

The Kiwanis Club of Ann Arbor began raising money in 1925 by selling newspapers. In 1927 it teamed with King's Daughters, a local church guild, to hold periodic three-day rummage sales in vacant stores and, from 1948 to 1967, in the National Guard Armory. From February 1968 through 1990, sales were held in the Kiwanis Center Downtown (KCD) periodically, thence weekly on Saturday mornings. In January of 2012, through the generosity of Don Butcher, a former club member, and Jake Haas, the club acquired temporary use of an 8000-sq-ft warehouse at 840 Airport Plaza Dr. in which to store and sell furniture and other large items. Then, in 2014, the club's Foundation purchased a 17.4-acre lot, including a warehouse and office complex, located at 100 North Staebler Road, which became the Kiwanis Center West (KCW). Regular Saturday sales began at KCW on June 13, 2015. Currently, 47-48 weeks of the year, the Kiwanis Thrift Sale is open at KCD from 9 AM to noon on Saturdays and at KCW from 9 AM to 1 PM on Fridays and Saturdays.

Thrift Sale merchandise comes from individuals or organizations who drop off items at KCD and KCW, and through the pickup service that the club provides. Club members, volunteers and employees then sort, price, display, and sell donated items. This work often requires conscientious sorting, creative merchandising, and tact. A sorter once found \$660 in an article of clothing; occasionally bills are found hidden in books. Items sold include automobiles, store mannequins, live piglets, tombstones, boats, and organs (musical). Once, four people bought the same sofa on the same day and showed up simultaneously to claim it. Someone mistakenly donated a neighbor's dishes. Members and volunteers have had their own coats and jackets inadvertently sold during a sale. The most successful single sale, a three-day event in 1985, grossed \$80,234. Between fiscal years 2006-07 and 2015-16, annual gross sales, including warehouse and eBay sales, have increased from \$223,000 to over \$547,000.

Over the years the club has found additional ways to raise funds. It sells donated vehicles through a licensed dealer. It began selling selected items on eBay in 2002, and on craigslist in 2011. On these electronic sites, a few unusual items have sold for hundreds of dollars to more than one thousand dollars. In early January 2011, the club began selling surplus clothing and shoes to recycling agents. The club currently sells our surplus items to Midwest Recycling. This firm picks up the merchandise at the KCD, sorts it, and sends it to developing countries for use by citizens there. The acquisition of KCW promises to provide additional income from rental of office and warehouse space to third parties

Since 1927 the club's charitable Foundation has netted over \$4.8 million from its Thrift Sales, The Foundation devotes all net sale proceeds to support many projects of charitable organizations that serve the local community and Washtenaw County. The success of the sale depends on the hard work of many club members and dozens of volunteers.

In addition to donating money to charitable organizations, the Foundation gives merchandise to needy individuals and families through its Direct Assistance Program. The club's Community Services Committee administers this program in cooperation with participating local social agencies. In fiscal year 2015-2016, the Committee distributed \$60,300 worth of merchandise annually to qualified clients of social agencies that serve the greater Ann Arbor community. Each year, the club's Foundation—together with contributions from club members and others, which are matched by monies from the Ray and Eleanor Cross Foundation—also awards approximately \$75,000 to deserving area youth in the form of \$1000 academic scholarships to graduating seniors of Ann Arbor high schools and \$500 Summer Camperships to children and youth of Washtenaw County. The Foundation also donates clothing to people in need worldwide, especially to orphanages and countries that have suffered natural disasters. The club's International Relations Committee coordinates the distribution of these donated items. Annually, the Thrift Sale's Book Department donates thousands of surplus children's books to teachers and libraries of K-12 schools in Ann Arbor and Detroit.

Through all of these programs combined, the club's Foundation has donated over \$6 million in money and merchandise to charities and individuals since the club's inception in 1921.

HIXSON FELLOWS

Kiwanis International (KI) established the George F. Hixson Fellowship in 1983 to honor its first president. Fellows are selected in one of two ways. First, members of a club, upon making a lump-sum payment of at least \$1000 to the KI Foundation, may designate recipients during their lifetimes or posthumously. Second, a club itself may designate a recipient (e.g., a Club member or her/his spouse) by making a lump-sum payment of at least \$1000 to the KI Foundation.

To be considered for a Hixson Fellowship sponsored by our Club, a member must demonstrate exceptional dedication to the Club and its Objects during the course of a single year. This may be achieved in various ways, such as excellence as chair of a committee, outstanding success in recruiting, extraordinary involvement by a new member, or other comparable contributions to the Club. In exceptional circumstances, the Club may award a Fellowship to a nonmember, provided that the designee has made a contribution to the community commensurate with the Club's standards for Honorary Member status or has made a singular contribution of time and effort to the Club.

During three administrative years (1996-1999), our Club donated a total of \$104,000 to KI for the Worldwide Iodine Deficiency Disorder program. Consequently, KI extended to our Club the privilege of awarding several dozen Hixson Fellowships because of those donations. Upon the recommendation of the Member Recognition Committee and approval by the Board, the names of Fellows are permanently displayed in the Kiwanis Center Downtown.
