WARM THE CHILDREN

Providing New Winter Clothing for Local Children in Need

In July, 2017, the Kiwanis Club of Ann Arbor became the new sponsor of the Warm the Children program. For 22 years in Washtenaw County, the Warm the Children program has helped to provide new warm winter clothing for children in need. Without your help, many of these children would have to face our cold Michigan winter without coats, hats, boots or mittens. A little of your time or just a few dollars will go a long way!

CLUB HISTORY OF COMMUNITY SERVICE

The Kiwanis Club of Ann Arbor was organized on May 13, 1921, and chartered on June 13, 1921, with 60 charter members. As of September 30, 2018, the club was the largest Kiwanis club in Michigan, with 133 members (including emerita and emeritus members). Since its founding, the club had inducted 1261 members.

In 1922 the club began working with the University of Michigan Hospital to provide recreation and education for young patients. In 1934 this activity was adopted as a Michigan District project and named for Forney W. Clement, a former District Secretary and member of our club. Subsequently, the project was extended to Mary Free Bed Hospital in Grand Rapids (1961), Northern Michigan Hospitals, Inc. in Petoskey (1977), and Children's Hospital of Michigan in Detroit (1980s). Our club members make an annual gift to the Michigan District to support the Clement project at these four hospitals, and also contribute monthly to the Mott Pot to provide additional support to for the Clement project at the U of M Mott Children's Hospital.

In 2017, by vote of our Board and club members, our club became the sponsoring agency for Ann Arbor Warm The Children program, with an annual commitment of \$2500.

Proceeds from rummage sales and other fund-raising efforts have enabled the club to fund the activities of many charitable organizations. Most club donations range between \$500 and \$4000. The club has made a few major gifts of \$5000 to \$25,000 to several community organizations to help support their activities.

- * Capital campaigns
 - * AA YMCA
 - * American Red Cross
 - * Arbor Hospice
- * Special Projects
 - * AA Fire Department's "Smoke House"
 - * AA Hands On Museum
 - * AA Library Bookmobile

- * Salvation Army
- * Washtenaw Intermediate School District (Green House Project)
- * Hope Dental Clinic
- * "Neutral Zone" for teens
- * Peace Neighborhood Center
- * Washtenaw Area Council for Children
- * Family Learning Institute Bookmobile

In addition to raising money to help charitable organizations, club members have participated in many local hands-on activities. Examples include:

- * greenhouse project at High Point
- * "Christmas-in-April"
- * donating blood
- * dictionaries for 4th-graders
- * "Bring Geography to School"
- * "Kids Against Hunger"

- * "Meals on Wheels"

- * collected and mailed boxes of clothing to Poland, Dominican Republic, and Nigeria
- * collected and sent boxes of prescription eyeglasses to Third World countries

- * donated \$103,185 in 2015 to the Kiwanis/unicef worldwide ELIMINATE project to eliminate maternal and neonatal tetanus.

CLUB MEMBERSHIP

Those who join our club are invited to join by current members. The weekly Monday-night meetings are an excellent forum for prospective members to meet club members. The club covers the cost of two meals for each prospective member.

Members who wish to sponsor prospective members ask them to fill out and sign a Membership Application form. Sponsors sign the form and return it to the Secretary. The Secretary arranges for information about the applicant to be published in two consecutive issues of the Club Newsletter, and forwards the completed application to the facilitator of the Past Presidents, who arranges for the applicant to be interviewed by a Past President.

After an interviewer recommends acceptance of the application, the Secretary submits the application to the Board of Directors for approval. After the Board's approval, the Secretary notifies the applicant and requests payment of dues. Upon payment of dues, the Secretary places a new-member badge in the badge rack, and the President schedules a formal induction ceremony, with the applicant and sponsor present.

Annual club dues for 2018-2019 are \$180. Sponsors mentor new members to help them complete several tasks required to earn a regular-member badge. New members qualify for the regular-member badge once they:

- have been oriented about the club
- have their picture taken by the club photographer
- work on a sale activity
- join a committee
- give a 3-minute speech about themselves
- actively work on a club committee
- participate in two additional club activities, such as:
 - * greet guests and members at a noon meeting
 - * attend a Board meeting
 - * attend an interclub
- participate in at least one Kiwanis-sponsored community activity, such as:
 - * Warm The Children program
 - * Salvation Army bell ringing
 - * Meals on Wheels delivery

The Kiwanis Center

The evolution of the Kiwanis Center from its original downtown location on the southwest corner of First and Washington Streets to the new Kiwanis Center at 100 North Staebler Road is a tribute to the foresight and dedication to community service by the members and volunteers of the Kiwanis Club of Ann Arbor.

On April 11, 1966, the club voted unanimously to purchase the distinct beige, brick warehouse and flour mill at 200 S. First St., which once housed the Swisher Wholesale Grocery Store and then the Sears Roebuck & Co. Farm Store. The purchase was made possible through the generosity of John E. Swisher, Jr., whose father was a past president of the club (1925), and through contributions from club members and people in the local community. The club named the building the Kiwanis Activities Center (KAC). In 2015, following the purchase of an additional facility (Kiwanis Center West), the KAC was renamed the Kiwanis Center Downtown (KCD). The new KCW opened on June 13, 2015, for Saturday sales. Later that year sales were expanded to include Fridays and Saturdays from 9 am to 1 pm. In September 2016, the club membership voted to authorize the Board of Directors to consider proposals for the sale of KCD. In 2017, the club accepted an offer to sell KCD, with the closing scheduled for January of 2018. All club activities were relocated to KCW by December 31, 2017, at which time KCW was renamed The Kiwanis Center.

The Kiwanis Activity Center — 1966-2017

The Kiwanis Center at 100 North Staebler Rd is a 123,000 sq-ft office and warehouse building on a 17.4-acre lot. Approximately 71,000 square feet of the building is dedicated to Kiwanis purposes, including the Kiwanis Thrift Sale; Kiwanis offices and meeting rooms; intake, sorting, and warehousing of donated sale items; plus maintenance and utilities. The remaining 52,000 square feet is warehouse and office space rented to other

users. Seven and one-half acres of undeveloped wet lands and woods on the property have been designated as the Ann Arbor Kiwanis Environmental Education Preserve (A2KEEP). That project is under development and will include ponds, woodland, and marsh areas interwoven by paths and planned display projects. Another 2.5-acre portion of the property fronting on Jackson Road is being offered for sale as a commercial out lot.

Having our Kiwanis Thrift Sale operating again out of one location has allowed for a better shopping experience for our customers and for much improved efficiency in the receiving, sorting, and presenting of merchandise by our club members, volunteers, and staff.

ZELLER FELLOWS

In 2011 Kiwanis International (KI) established the Walter Zeller Fellowship to commemorate Walter Zeller, who made the first gift of 25 silver dollars to establish the KI Foundation. The Zeller Fellowship recognizes a gift of at least \$1,250 to the ELIMINATE Project, an undertaking to raise \$110 million by 30 September 2015 to eliminate maternal neonatal tetanus in mothers and newborns in countries where this disease remains a threat.

On 22 August 2011, our Club membership pledged to donate \$100,000 to the KI worldwide ELIMINATE Project by 30 September 2015, a goal we met and exceeded by raising \$103,185. The names of Zeller Fellows are permanently displayed on a board on the top floor of the Kiwanis Center. Fellows to date are as follows (“c” denotes Charter Fellow; “d” denotes Diamond Fellow):

CLUB FUNDRAISING AND GIVING

The Kiwanis Club of Ann Arbor began raising money in 1925 by selling newspapers. In 1927 it teamed with King's Daughters, a local church guild, to hold periodic three-day rummage sales in vacant stores and, from 1948 to 1967, in the National Guard Armory. From February 1968 through 1990, sales were held in the Kiwanis Center Downtown (KCD) periodically, thence weekly on Saturday mornings. In January of 2012, through the generosity of Don Butcher, a former club member, and Jake Haas, the club acquired temporary use of an 8000-sq-ft warehouse at 840 Airport Plaza Dr. in which to store and sell furniture and other large items. Then, in 2014, the club's Foundation purchased a 17.4-acre lot, including a warehouse and office complex, located at 100 North Staebler Road, which became the Kiwanis Center West (KCW). Regular Saturday sales began at KCW on June 13, 2015. Sale of the KCD building was completed in January 2018. Consequently, all our Kiwanis activities, including the Thrift Sale, are now held at the Kiwanis Center (KC, previously KCW) at 100 North Staebler Road. Currently, the Kiwanis Thrift Sale is open 50 weeks of the year at KC from 9 AM to 1 PM on Fridays and Saturdays.

Thrift Sale merchandise comes from individuals or organizations who drop off items at KC, and through the pickup service that the club provides. Club members, volunteers, and employees then sort, price, display, and sell donated items. This work often requires conscientious sorting, creative merchandising, and tact. A sorter once found \$660 in an article of clothing; occasionally bills are found hidden in books. Items sold include automobiles, store mannequins, live piglets, tombstones, boats, and organs (musical). Once, four people bought the same sofa on the same day and showed up simultaneously to claim it. Someone mistakenly donated a neighbor's dishes. Members and volunteers have had their own coats and jackets inadvertently sold during a sale. The most successful single sale, a three-day event in 1985, grossed \$80,234. Between fiscal years 2006-07 and 2017-18, annual gross sales have increased from \$241,000 to over \$724,000.

Over the years the club has found additional ways to raise funds. It sells donated vehicles through a licensed dealer. It began selling selected items on eBay in 2002, and on craigslist in 2011. On these electronic sites, a few unusual items have sold for hundreds of dollars to more than one thousand dollars. In early January 2011, the club began selling surplus clothing and shoes to recycling agents. The club currently sells our surplus items to Midwest Recycling. This firm picks up the merchandise at the KC, sorts it, and sends it to developing countries for use by citizens there.

Since 1927, the club and its charitable Foundation (formed in 1964) have netted many millions of dollars from our Thrift Sales. The Foundation devotes these net proceeds to supporting many projects of charitable organizations that serve the local community and Washtenaw County. The success of the Thrift Sale depends on the hard work of many club members and dozens of volunteers.

In addition to donating money to charitable organizations, the Foundation gives merchandise to individuals and families in need through two Direct Assistance Programs. One program is operated by the Sales Management Oversight Committee, which, in 2018, provided \$73,995 in direct giving. The club's Community Services Committee administers a second direct assistance program, the Voucher Program, in cooperation with participating local social agencies. In fiscal year 2017-2018, the Committee distributed \$83,807 worth of merchandise to 425 qualified clients of social agencies that serve the greater Ann Arbor community. Each year, the club's Foundation—together with contributions from club members and others, which are matched by monies from the Ray and Eleanor Cross Foundation—also awards approximately \$75,000 to deserving area youth in the form of \$1500 academic scholarships to graduating seniors of Ann Arbor high schools and \$500 Summer Camperships to children and youth of Washtenaw County. The Foundation has also donated clothing to people in need worldwide, especially to orphanages and countries that have suffered natural disasters. Annually, the Thrift Sale's Book Department donates thousands of surplus children's books to teachers and libraries of K-12 schools in Ann Arbor and Detroit. In July of 2017, the Foundation assumed sponsorship of the Warm the Children program of Washtenaw County, which raised and disbursed \$128,700 for winter clothing for area children.

Through all of these programs combined, the club and Foundation have donated over \$6.7 million in money and merchandise to charities and individuals since the club's inception in 1921.

HIXSON FELLOWS

Kiwanis International (KI) established the George F. Hixson Fellowship in 1983 to honor its first president. Fellows are selected in one of two ways. First, members of a club, upon making a lump-sum payment of at least \$1000 to the KI Foundation, may designate recipients during their lifetimes or posthumously. Second, a club itself may designate a recipient (e.g., a Club member or her/his spouse) by making a lump-sum payment of at least \$1000 to the KI Foundation.

To be considered for a Hixson Fellowship sponsored by our Club, a member must demonstrate exceptional dedication to the Club and its Objects during the course of a single year. This may be achieved in various ways, such as excellence as chair of a committee, outstanding success in recruiting, extraordinary involvement by a new member, or other comparable contributions to the Club. In exceptional circumstances, the Club may award a Fellowship to a nonmember, provided that the designee has made a contribution to the community commensurate with the Club's standards for Honorary Member status or has made a singular contribution of time and effort to the Club.

During three administrative years (1996-1999), our Club donated a total of \$104,000 to KI for the Worldwide Iodine Deficiency Disorder program. Consequently, KI extended to our Club the privilege of awarding several dozen Hixson Fellowships because of those donations. Upon the recommendation of the Member Recognition Committee and approval by the Board, the names of Fellows are permanently displayed in the Kiwanis Center.
