Today's Program... Installation of Club Officers

The installation of new club officers and the appreciation for prior club officers was handled by **John Goff**, current Club President, **Betsy Ford**, incoming Club President, **Julanne Williams**, Lieutenant Governor of the 10th District and **Linda Lawther**, incoming State Governor.

Julanne Williams started the ceremony by offering thanks to the Board Members who have completed their service on the Board: **Dan Burroughs**, **Alan Caldwell**, **Martha Petroski** and **Gretchen Preston**. She then thanked out-going **President John Goff** for his service as President and for his continuing service this coming year as Immediate Past-President. Julanne then called forward all of the new and continuing Board Members and officially installed them for their upcoming service: **Kathy Barden-Perlberg**, **Ellen Webb**, **Claire Dahl**, **Ken Shaw**, **Dick Smit**, **George Gilligan**, **William Hampton**, **Joe Medrano**, **Bill Rob** and **Ray Argyle**.

Betsy Ford took over the podium and called **John Goff** forward to receive a recognition plaque for his serve as Club President. Betsy also called **Jeanette Okuley** forward to receive a pin and token of appreciation from the club for her three years of service as Club Secretary.

Linda Lawther then came to the podium to install the other club officers for the upcoming year. She first installed **Kathy Wilder** as Club Secretary, and thanked her for the service she will provide to the club. Linda then called **Bob Johnson** forward to be thanked for his past service and to be installed as Club Treasurer. Linda then called **Alan Burg** forward to be installed as President-Elect. Finally, Linda called **Betsy Ford** forward to be installed as Club President. Linda also thanked **Julanne Williams** for her continuing service as Lieutenant Governor of the 10th District. Last, but not least, **John Goff** called forward Past-President **John Dahl** to thank him for his many years of service to the club and to award him with a Distinguished President pin.

Betsy Ford gave a short summary of her expectations for the upcoming year. She has given her leadership role lots of thought over the last several months and has attended a wide variety of meetings to better understand the breadth of Kiwanis activities at the local, state, national and international levels. She is very impressed with all that we have accomplished during the last year with the purchase and remodeling of the KCW building and the reorganization of the sale in our downtown building. She now thinks we need to concentrate our attention on bringing more people into the club with a focus on broadening the membership, especially with younger people. She also said we need to reexamine the financial operation of the club and the responsibilities assigned to the club treasurer. We also need to make our club more tech-savvy and up-to-date with the use of social media and other communication tools. Finally, Betsy said we need to keep moving the club forward for the benefit of the local community and kids around the world. See photos on page five.
