CLUB OF ANN ARBOR

Volume 9, Issue 17

January 22, 2018

Today's Program...

Deb Jones introduced our speaker, University of Michigan Learning Librarian Jo Angela Oehrli, who spoke on one of today's hottest topics, *Fake News*. Jo was joined by her colleague, Shevon Desai, who is a UM Communication Studies Librarian. Shevon assists Jo with one of the classes that Jo teaches at UM, "Fake News, Lies, and Propaganda."

Jo began the program by asking us to talk among ourselves at our luncheon tables, discussing examples of fake news and thinking about how we know these news stories might be fake. When Jo asked what clues might identify fake news,

John Goff said we should be suspect of news coming from social media. Jo then mentioned that 45% of people get their news from Facebook. **Dan Dever** suggested we should be skeptical of news stories that are contrary to our personal experience and logic. Jo said to watch out for news with intensifying language, such as "all" or "the best."

Fake news is not limited to one side of the political spectrum, Jo said, nor is it even limited to politics. Jo offered a recent example: "Is Tide Discontinuing Their PODs Product Because Consumers Eat Them?"

Jo recommends that we not just be well read, but widely read. Recognize our own bias. Consult multiple sources, including sources across the political spectrum. Be aware of "filter bubbles": sites we visit on the web feed into Google's algorithm, leading where we are taken on subsequent searches. Use different search engines. And, if there are doubts, DON'T SHARE IT.

Next Week's Program...

January 29—*On Being an Entrepreneur*. Speaker: Ann Marie Sastry, Founder and CEO, Amesite, a computer software company. Introduction by **Demond Johnson**.

Meetings...

The Grant Coordination Committee will meet next Monday, January 29, before the Kiwanis luncheon at 10:45 AM.

An area to post notices of committee meetings has been established in our KCW luncheon room just outside the kitchen. Meeting notices will also continue to be announced at club luncheons and in the newsletter.

Guests at Our Club...

Ken Hillenburg introduced two of our Kiwanis staff who joined us for lunch, Tanya Salamin and Alex Bowman. Ken welcomed Mark Lavin, husband of **Eloise Lavin**. We were also delighted to have Jill Davidson, Melissa Zhou, and Alyssa Schmidt, all of Circle K, as luncheon guests.

Hospitality...

Max Ziegler reported the good news that he has received no hospitality reports. However, **John Goff** informed us that his wife, Sherri, has injured both knees in a skiing accident. She is at home and cannot drive; further treatment is awaiting MRI results.

Announcements...

- **CLOTHES DEPARTMENT IS OPEN—HOORAY!** Pres **Gretchen** happily announced that the clothing department has now opened, beginning with last week's sale! Last week members and volunteers worked 595 hours, up roughly 100 hours from the week before, mainly due to the addition of clothes in Room 1100. A certificate of occupancy for Room 1100 was obtained on Thursday afternoon, just hours before last week's sale began.
- **Sale Report—Max Ziegler** assisted **Jim Wolfington's** report of thrift sale work assignments by announcing sales totals, adding the important note that we need more members to assist our core of dedicated volunteers and members that prepare for the sale throughout the week. The sale is gaining momentum and the lot is full, Max observed.
- **Parking Changes**—With the parking lot overflow on sale days, **Nick Dever** announced several changes. First, the WAVE bus will no longer stop in our parking lot but will instead stop on Jackson Road, due to parking lot congestion. The "no parking" signs on the southerly side of the building will be removed, since this area is no longer needed for the bus stop. After a comment by **Eloise Lavin** that we do not have enough handicap parking spaces, Nick said that we probably can restore some of the handicap parking spaces in the bus stop area; members who need handicapped parking should park in this area south of the building, rather than the handicap parking spaces by the sale entry doors on the east of the building. Second, Nick announced plans to clear the parking spot berms, which will make the gravel lot accessible for parking. Members should park in the gravel lot, leaving the paved lot available to customers.
- **Increased Community Giving**—Pres **Gretchen** announced that the board has made \$150,000 in additional funds available to the Grant Coordination Committee for community giving. With funds already allocated for summer camp and scholarships, plus other Kiwanis community funding currently in place, total community funding from our foundation now stands at more than \$190,000 for this fiscal year. This does not count our community giving through the voucher program or goods that Kiwanis is donating directly to third parties rather than adding to thrift sale inventory.

Announcements continue on page five...

Fines...

While **Jim Wolfington** and **Max Ziegler** were announcing sale assignments and sale totals, the mike at the podium inexplicably fought back with lots of static. **Ken Hillenburg** and **Evan LeRoy** solved the problem with their technological magic, soothing the everyone's frazzled nerves. **Dan Dever** took this as his cue to catch everyone with a fine, which **Pres Gretchen** declared to pass. We all paid except Ken and Evan.

Happy Dollars...

☺ **Bob Gray** was double happy.

First, the streaking meteor that blasted Michigan last Tuesday passed about a half mile from Bob's and Susan's home. One of their neighbors showed Bob seven meteor fragments, which look like black lava rock. Second, Bob is delighted that the thrift sale shoppers have reached record numbers, surpassing the number of shoppers at the nearby Meijer store!

Update: Suspected "Meteors from the sky on January 16, 2018" found near Bass Lake in Hamburg Township were determined NOT to be of Meteor origin by UM Scientists. The tiles on which the suspected pieces are 5.5 inches square. Bob Gray will retract his statement and chalk this up to more "Fake News"—the subject of this week's program.

☺ **Kathie Wilder** was delighted with **Luke Panning's** stellar musical performance at The Ark.

☺ **Emily Allshouse** followed **Bob Gray's** line of thinking, expressing happiness that we have more check-out cash registers open at KCW than can be found open at Meijer! Emily also reminded us that **Mary Stewart** and **Max Ziegler** need help with sorting.

☺ Alyssa Schmidt of Circle K informed us that Circle K is fundraising to cover expenses of a Circle K service project, helping with clean-up at the James River State Park in Virginia.

☺ **Lynne Lande** is delighted that we now have a piano in the KCW luncheon meeting room.

☺ **Andrea Kotch Duda** was ecstatic with the final bell ringing numbers announced earlier by **Garry Evans** and contributed a happy dollar in recognition of Garry's outstanding leadership.

Announcements Continued from Page Two...

- **Board Minutes**—**Pres Gretchen** also announced that the minutes of last week's board meeting may be reviewed in the members only section of our website, <http://a2kiwanisfoundation.org>. At last week's board meeting, a survey of the KCW outlot was authorized for the purpose of defining exactly what can be sold.
- **Community Giving Update**—**Alan Burg** described two important items placed on each luncheon table for discussion. The first is a multi-page table showing income sources, disbursements, and flow-through dollars to the community from Kiwanis for each year from 1921 through 2017. Much effort has gone into compiling this material, but Alan is still striving to capture community giving that might have been missed from the tabulation. Please review and contact Alan with any additional information. As it currently stands, the tabulation shows total giving for all years to be in excess of \$6.3 million. The second item is an update of the flyer that is widely circulated to our customers and community, describing Kiwanis, outlining causes and listing community nonprofits receiving Kiwanis support, and providing a map with directions to the Kiwanis Thrift Sale. More than 3,500 flyers have been printed.
- **Chelsea Interclub**—**Dave Drake** is organizing an interclub for next Monday evening, January 29, at 6:15 PM with the Chelsea Kiwanis Club. The meeting will be in the main dining room at Chelsea Hospital, 775 South Main, Chelsea. With the new Kiwanis district alignment, organizing interclubs has been more challenging this year, but Dave is working hard to make our interclub effort a success.
- **KYP Habitat Home Project**—The Kiwanis Young Professionals is teaming up with Habitat for Humanity on February 3, **Emily Allshouse** informed us, to help build a Habitat home. The average Habitat homeowner earns about 30-60% of the area's median income, must save and pay a \$1,000 down payment, commit about 250 hours of their own labor in the home build process and then make mortgage payments to Habitat for the life of the loan, usually 15 to 30 years. Kiwanis Young Professionals is volunteering through the Team Habitat program, providing labor on February 3 and donating \$1,000. Our Kiwanis Club has been asked to match this fundraising, to double the monetary gift. If you would like to help, whether as a volunteer on February 3 or with a personal monetary gift for the fundraising efforts, contact Emily Allshouse at Emily.allshouse@gmail.com or 517-673-0860.

Garry Evans

- **Boffo Bell Ringing News**—**Garry Evans** arrived at our luncheon from the Salvation Army headquarters, where he learned final bell ringing numbers. Garry announced that Kiwanis raised \$62,000 belling on the Saturday before Christmas, which brought everyone present to their feet with a round of applause. Garry figures that each bell ringer earned about \$300 per hour, all going to the Salvation Army.

Social Activities...

- **Mary Stewart** asked those attending the theater outing to pay her for the theater tickets soon. Cost is \$30 per person. The outing will be on February 18 at 2:00, to see the widely acclaimed musical, "Million Dollar Quartet," at the Encore Theater in Dexter. Dinner will follow. If interested, contact Mary.
- **Dick Smit** announced on behalf of **Dale Leslie** a trip on Tuesday, January 23, to the Detroit Auto Show. Dale has free admission tickets! Those interested will meet at the Arborland Shopping Center at 9:30 AM to depart for the auto show, returning by early afternoon.
- **Fred Sanchez** announced the upcoming annual Detroit Tigers outing. The trip this year will be on Saturday, August 11,

with the Tigers playing the Minnesota Twins in an evening game (but no fireworks following the game). Tickets are in the same section as previous years, but slightly lower in the stands (section 327, rows 6 through 10, behind home plate). Our bus will leave the Pioneer High School parking lot at 3:30 PM sharp with the expected return around 10:00 PM. As in past years, this will be the Tigers' annual Fiesta Tigres night, in which players of Spanish heritage are recognized and honored. Cost is \$70 per person. And Fred promises the bus will make it all the way to Comerica Park this year!

Harry Hawkins

A Colorful Kiwanis Centennial Memory Gem...

Long-time Ann Arbor businessman and landlord, Harry Hawkins, is a frequent Kiwanis Club of Ann Arbor Kiwanis Thrift Sale shopper. And he is very complimentary about the new sale location (100 N. Staebler Road) and the diversity of stock. Harry does have one reservation: "Kiwaniis used to sell paint. I would buy 10-12 cans and pour and mix their contents in a deep trash can. Whatever color resulted is what we brushed on the exterior of our rental properties for the next year!"
