TODAY'S PROGRAM...

Deb Jones introduced Sue Schooner and Kia Sweeney from Girls Group, a not for profit agency serving girls in Ann Arbor and Ypsilanti. Girls Group's mission is to empower young women in middle school and high school to achieve emotional and economic self-sufficiency by graduating from high school and becoming first generation college graduates.

Girls Group provides year round programming and mentoring to disadvantaged girls who are at risk of dropping out of school prior to high school graduation. Girls are taught academic skills (how to study, how to ask teachers for help, how to apply to college and seek financial aid); life skills (how to save money, how to use a credit card, how to build credit, anger management, and self-control); healthy relationships (with parents, peers, dating partners, and teachers); mental and physical health (nutrition, exercise, and proper sleep); and community service (helping build self-esteem by helping others).

Statistically, only 40% of disadvantaged girls graduate from high school. Sue and Kia are very proud that 100% (110) of the girls that Girls Group has mentored since it was founded in 2003, have stuck with the program and graduated from high school. At this time, 140 middle school girls, 150 high school girls, and 110 high school graduates are participating in programming. Girls Group has 8 paid staff, 12 social work student interns, and a budget of over one million dollars.

Interim Report from Special Committee to Review Staffing Needs...

Alan Burg

Chair **Alan Burg** reported that the Special Committee has met 12 or 13 times since it was formed this past January. It was originally known as the General Manager Task Force. Its original charge was to determine the feasibility of hiring a General Manager to oversee the Sale and other activities. First the committee focused on identifying voids in our operations and, where possible, assigning a staff member or committee to fill the identified voids. Because there were many voids that could not be picked up by a current staff member or committee, the Special Committee looked at new ways to fill the voids.

After much discussion, many meetings, lots of input, and a fair amount of angst, the Special Committee determined that a General Manager is not needed and that action should be taken in five broad areas:

- 1) Hiring additional hands-on administrative staff;
- 2) Retaining and supporting our committee structure;
- 3) Increasing the use of good business practices;
- 4) Increasing support for our members, committees, and volunteers; and
- 5) Increasing our member and volunteer numbers.

Interim Report Continued from Page One...

The Special Committee will be recommending to the Board this month that two new committees be formed, Risk Management and Operations Coordination and that two new paid positions be created, Administrative Assistant and Volunteer Coordinator. In addition, an unpaid volunteer position of Frontend Team Leader is recommended. The person in this position would act as Head Cashier for the sale and operate in somewhat the same capacity as the Officer of the Day at KCD. The Special Committee worked hand-in-hand with the Personnel Committee to update the job descriptions for all current paid staff positions and to create job descriptions and determine pay ranges for the two new proposed positions. According to Special Committee Chair **Alan Burg**, it should be noted that the report as presented is an Interim Report and that the committee's final report to the Board is likely to contain additional recommendations. For more details, please review the Special Committee's Interim Report which was emailed to you on May 31 with the subject line, "Alan Burg's presentation Monday on Future Staffing Needs".

KEY CLUB MAKES WARM THE CHILDREN DONATION...

Megan Zhao and Christopher Zou of Huron HS Key Club, guests of **Mary Stewart**, told us they raised over \$400 for Warm the Children by hosting a pizza and movie night at Huron.

Note from Bob Gray: I don't think it was mentioned at the meeting, but I discovered when I was identifying people in the photos of the presentation to **Mary Stewart** for Warm the Children that Christopher Zou was already in my photo file as the Alan M. Dailey Memorial Scholarship Recipient on April 30. They are "giving back" already at this early age. These students are AMAZING!
